

# EAST AFRICA CHILDREN'S HOPE

2014 ANNUAL REPORT

WE HAVE RAISED OVER  
**\$144,000**  
OVER THE PAST 8 YEARS  
& WE COULDN'T HAVE  
DONE IT WITHOUT YOU

## Last year was another great year for East Africa Children's Hope.

We made great strides in the first year of our Sponsor a Girl campaign! We sent a total of four girls from Upendo to secondary school and are working towards sponsoring a total of nine girls to go to secondary school in 2015. At the Good Hope Initiative, in addition to funding desks and furniture for the classrooms EACH donated in 2013, we raised enough money to fund the construction costs for a self-sustainable pig farm. This is the first revenue generating project at Good Hope and profits from the farm will fund the operating costs of the primary school. The pig farm profits will also fund primary school expansion - up to 6th grade in 2015!

In 2014, we expanded our international collaboration with the Eunice Project who have been fundraising for Upendo for years and have recently formed an NGO. The Eunice Project, based in Ireland, raises money to help fund teachers' salaries and other daily needs at Upendo. In 2014, two members of the collaboration were able to visit Upendo and this visit underscored their commitment to ensuring all of the girls at Upendo attend secondary school.

2015 will bring a lot of excitement to EACH! We can't wait to see the progress of the pig farm and look forward to sponsoring even more girls to attend secondary school. In 2015, we will proudly watch our first secondary school graduates at Upendo. EACH kids in Uganda and Kenya can't thank you enough for your support and commitment to them. Their lives and their community are changing for the better because of your generous donations.
